## ***Society of Port Engineers of Puget Sound***

March 13<sup>th</sup>, 2018 General Dinner Meeting

### **TOPIC: BALLAST WATER TREATMENT**

***SPECIAL GUEST SPEAKER:***

Kevin Reynolds from Glostén

## **Glostén**

*Kevin is a US Merchant Marine Academy graduate, holds an unlimited Chief Engineers license, and spent a few years helping to build tug boats at Seattle's MARCO shipyard. On arrival at Glostén in 2001, Kevin started pursuing solutions to shipboard ballast water treatment as a member of the Washington State Ballast Water Working Group. Those efforts have continued over the past sixteen years including design and commissioning of two test facilities, service on numerous panels, technical assistance to over twelve ballast water treatment equipment providers, and shipboard surveys and equipment installations the world around.*

- **Tuesday**, March 13<sup>th</sup>, 2018 SOPE General Meeting and dinner at Pyramid Alehouse, 1201 First Avenue S., Seattle, WA 98134. Ample parking behind the restaurant.
