Society of Port Engineers of Puget Sound

April 10thth, 2018 General Dinner Meeting

TOPIC:

R/V Thomas G. Thompson

&

R/V Rachael Carson

SPECIAL GUEST SPEAKER:

Doug Russell Manager of Marine Operations

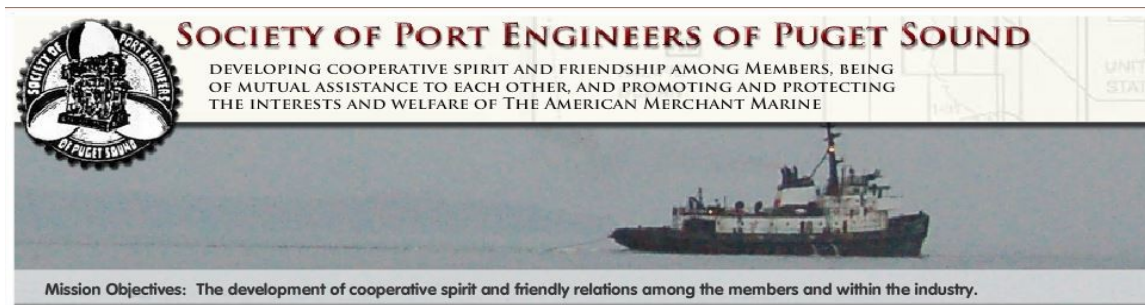

University of Washington School of Oceanography

Doug is the Manager of Marine Operations at the UW School of Oceanography. He served in the Coast Guard for 25 years including sailing on icebreakers POLAR SEA and HEALY. He also served as the Chief Naval Architect at the Washington State Ferries before moving to UW. Doug was the President of SOPE Puget Sound in 2010.

Doug will talk about the 18-month mid-life refit recently completed for the UW research vessel Thomas G. Thompson. He will also talk about UW's recent acquisition of the R/V Rachel Carson
